What's still just a vision for many -
is already everyday reality for us.

We're GOTS, OEKO-TEX® Made in Green,
Fairtrade and Fokus Zukunft for 100% climate neutrality certified.
These certifications confirm our policies of environmentally friendly production,
testing for harmful substances and social responsibility by means of fair wages,
regulated working hours and safety in the workplace.
This means that every single step, from cotton plant to the finished MEYER trouser,
is based on ethical principles.

Seasons changing – sustainability remaining....

Are you fashion conscious or do you choose fashion consciously?
It is more important than ever that we no longer look the other away.
After all, if we want to make a change, it is best to start
with ourselves. Here. Now.
That's why we uncompromisingly believe in FAIRNESS,
transparency and environmental consciousness.
Everything else is outdated.
